Young Scientist Award

[PULSUS publicizes](#) an outline of Awards for Young Scientists in order to help excellence in various fields of science and technology. These Awards are known as "Young Scientist Awards". The award is open to those researchers involved in graduate education and research happenings that accentuate bearable progress.

Benefits:

- Advancing perfection and perceiving remarkable commitments made by the youthful researchers for their work done essentially during the span of study.
- Find out about career advancement and the most recent research devices and technologies in your field.
- Graduates are motivated by the chance to choose neighbourhood or worldwide subjects of pertinence/enthusiasm to them and build up their own logical examinations and models drawing in locally or universally.
- Two researchers will be chosen for the Awards.
- Chance to be a student envoy.
- Chances to coordinate with partners around the world
- Discounts at the PULSUS conferences, at different worldwide venues in future.
- Chance to distribute full length papers in rumoured supporting international journals of respective conference
- Best [Young Scientist Award](#) introduction will be named by the board and in the event that they wish to publish the full-length paper, they can publish in supporting worldwide journals of the respective conference at free of preparing charges.

Guidelines:

- Eligibility: Any scientist, engaged in research work laboratories/institutes, who is not more than 35 years of age, is eligible for the Award.
- Criteria: Each scientist has to submit their unique research works

Applicants must:

- Submit an abstract as first author through the Abstract Submission System
- Submit the supporting materials listed below
- Be willing to present his/her work at PULSUS conferences

Best Poster Award:

Poster presentation Benefits:

- Unique opportunity to combine visual and oral explanations of your projects in the form of poster presentation
- [Best poster Award](#): 3 best posters will be awarded at the closing ceremony of the conference
- The entire accepted poster abstract will be published in reputed and supporting international journals with unique DOI given by CROSSREF
- Best posters will be given an opportunity to publish the full work at discounted processing charges in the supporting international journals

The selection of the winner will be based on:

- Posters will be evaluated based on the following three parameters; those are Presentation Style (5), Research Quality (5) and Layout/Design (5).
- Presentation clarity of poster and oral explanation.
- Poster Judges overall responses to the questions and the completeness of work

Poster guidelines:

- The size of the poster should be: 40" x 59" or 1X1.5 Sq.Mts.
- Space your information proportionally: divide your poster either horizontally or vertically into three or four sections, and place your materials within those spaces.
- Use large text (your text should be at least 18-24 pt; headings 30-60 pt; title >72pt).
- Choose colors carefully and pay attention to contrast.
- Cropping, Margins and Spacing: All edges and margins should be straight and even. Don't overcrowd space and be attentive to balance from top to bottom and from the side margins. Organize your elements into columns.
- White space: (the area not covered with text or graphics): Not too much (or the viewer's eye will wander). Not too little (or you'll confuse and overwhelm your viewer)

- Posters should stimulate discussion, do not give a long presentation. Therefore, keep text to a minimum, emphasize graphics, and make sure every item in your poster is necessary.
- Good quality of the ink is to be used to print the poster.
- No computers or extra aids may be used during a poster presentation.
- Poster should be placed at the allotted places 2 hours prior to the poster session and can be removed at the end of the day.
- Keep your poster presentation to ~15 minutes per visitor/judge (10 min discussion & 5 min query session).
- Each poster can be presented by maximum 2 presenters during the poster evaluation.
- Try not to stand directly in front of your poster, allow other scientists to view the entire poster. Stand to the side.
- Carry your poster to the meeting, using tubular packaging or a portfolio case. Do not mail your poster to the conference headquarters or to the meeting site.
