

Conference Announcement - 3rd World Congress on Gynecology & Obstetrics

Camil Castelo Branco

The “3rd World Congress on Gynecology and Obstetrics” or **WCGO 2020** is scheduled during **April 27-28, 2020** in **Barcelona, Spain**. This is a two days event planned to be held at the largest city in the autonomous community of Catalonia in Spain. It is the capital of Catalonia and the 2nd most well-liked town in Spain.

WCGO 2020 majorly focuses on Neonatal care, **Preterm birth**, Women reproductive health, Pregnancy complications, Umbilical study, multifetal pregnancy, Birth defects, fetal and maternal medicine, **Gynecologic oncology** and Infertility. Thus, we organized this event around the theme of **Creating Cognizance Anent Adjourning Motherhood**.

WCGO 2020 is bringing the assemblage of specialists, abundance of information and also a cross-cultural understanding in the **treatment** and procedures focused on prenatal care and antenatal care.

This event is contributing a great platform for the **Gynecologic doctors**, Obstetrics doctors, Medical students, Gynecology surgeons, Gynecologic and Obstetrics research scholars, Gynecology and Obstetrics **professors**, Academic students in the field of Gynecology and Obstetrics, Midwife nurses, Pediatricians, Pediatric nurses and **Physicians** around the globe to take part and enhance their knowledge in the field of **Gynecology and Obstetrics**

We employ this moment to thank our backbone of the event our organizing committee members Rachel Huetra, President, Direct Primary Care of Boca Raton, Florida, Panos Zavos Founder & Director, The Andrology Institute of America, USA, S Chhabra Director, Mahatma Gandhi Institute of Medical

Science, India, and Seang Lin Tan Founder & Medical Director, Originelle Fertility Clinic & Women's Health Centre, Canada. Their inspirational speech and conceptualization have induced many young research scientist and students to learn and also many queries are resolved during the event. It's a privilege for us to have these leaders in our event their guidance and engagement towards the event made it even more possible for the event to become successful.

These all wouldn't possible without the support of our collaborators, **exhibitors**, sponsors and audience. We foresee for them to uphold which reinforces our upcoming event and also all the series of **Gynecology events**. We are glad to take this opportunity to show our gratitude to all the cooperation, devotion and support from every personality who managed to take this event to a grand success

Let's start to learn anew and let's make the tremendous success again!
