

Conference Announcement - International Meeting on Gynecology and Gynecologists

Dr. Ali Ghaz

PULSUS Group cordially invites attendees, presenters, and exhibitors around the world to Gynaecology Congress 2020. We are delighted to welcome you all to our esteemed conference “[International Meeting on Gynaecology and Gynecologists](#)” which is going to be held during **December 05-06, 2020** at Dubai, UAE.

The conference will be organized around the theme ‘*Engage your minds to empower the success of Gynecologists*’. Our goal is to deliver an outstanding program which covers the entire spectrum of research & innovations in Gynaecology and Women’s Healthcare and share the cross-cultural experiences of various medical procedures by the experts in the field.

The congress is initiated and supported by the Editors Journal of Pediatric Health Care and Medicine, the Journal of Sexual and Reproductive Medicine and the Journal of reproductive Biology and Endocrinology.

Following the successful completion of Gynaecology Conferences in the previous years, PULSUS Conferences has designed the Gynaecology Congress 2020 in a versatile way including a multitude of tracks to choose from every emerging branches of Gynaecology & Gynecologists and provides an exemplary opportunity to interconnect with the scholars from both industry and academia and establish a scientific network between them. We cordially invite all the concerned people to come and join us at our event and make it successful with your participation.

The conference comes up with a cutting-edge scientific programme featuring leading **Obstetrics & Gynaecology** experts, exciting plenary sessions, and engaging oral & other modes of presentation.

The scientific program will be a valuable opportunity for scientific discussions and exchange of opinions with our distinguished guests, keynote speakers, and global opinionized people around the globe.

The two-day event will entail you with • Keynote Sessions • Distinguished Lectures • Workshop/Symposiums • Oral/Poster Presentations • Special Session • Exhibitions and many more.

The following main themes of the conference will be discussed during the presentations of the two days event, which reflect current education research, developments and innovations internationally: **Gynecology and Gynecologists, Assisted Reproductive Technology, Obesity and Weight Management, Gynecologic Aesthetics, Infertility and Birth Defects, Reproductive cancer, Health Diversity, Fetal Growth and Development, Patient Safety, Pregnancy, Pediatric and Adolescent Gynecology, Reproductive Endocrinology Disorders, Childbirth and Delivery Methods, Maternal Fetal & Reproductive Medicine, Women Sexual Health, Sexually Transmitted Disease and Pregnancy.**

In support of revamping Women’s Healthcare, this congress has been planned and implemented by PULSUS Group, Ltd and Center for Education Development (CED). CED is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare professionals.
