

Conference Announcement: 5th International Conference on Neonatology and Perinatology in Barcelona, Spain on December 9-10, 2020

Dr. H. Paramesh

Following the success of the 4th edition of the Neonatology Conference and the optimistic reactions of the scientific community, renowned personalities and members of the Allied Journal's editorial board from around the world, we are pleased to announce our next conference **5th World Congress on Neonatology and Perinatology** slated to be held on **December 09-10, 2020 in Barcelona, Spain**.

Neonatology 2020 is focusing under the theme "Assessing the newborn physiology during the transition from fetal to new born life".

This time, Spain [Neonatology Conference](#) will be a unique destination to network more than 1000 pediatric and neonatal research communities, as well as internationally active physicians and clinicians. It brings together a host of doctors, directors, faculty, university students and researchers in neonatal and pediatric health care, government representatives and global leaders in the field to improve neonatal and pediatric health care.

Neonatology 2020 hosts experts in Pediatric & Neonatal Healthcare and participating communities who are confident that they will begin fruitful discussions on important topics in Neonatal and Pediatrics Healthcare that focus on opportunities for innovation, technology and investment.

We hope to strengthen and leverage the [Pediatric Healthcare](#) education and Neonatal care that exceeds expectation, which is why we are hosting the Spain Neonatology 2020 and invite all the Neonatologist, Pediatric Healthcare Experts and Child related specialities physicians to take part in this thought-provoking conversation. This Paediatrics Forum in Spain provides experts & thought leaders with a platform to exchange and

deliver ideas that contribute to emphasizing our goals, i.e. a better outcome for all the children health.

The Neonatology 2020 will include keynote forum, young researcher's forum, panel discussions with question and answer periods, case reviews, breakout sessions, expo, and B2B networking.

This meeting will allow participants to acquire new updates and share their experiences with speakers recognized around the world. Specific topics related to [neonatology and perinatology](#) will be discussed.

We look forward to seeing you at this meeting and we are confident that you will find an outstanding educational opportunity located in charming Barcelona.
