The event is designed in a way to provide an exclusive platform for new researchers, scholars, and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered, and the solutions adopted in the field of Surgery.

Market Research:

The global MI surgery market is highly competitive with the presence of numerous big and small vendors with significant market shares. The annual growth rate for the entire surgery market is forecast to be 7% for 2011-2020. As per a latest statistical surveying report discharged by Transparency Market Research, the worldwide surgery market, as indicated by a report distributed by Transparency Market Research. The report, titled "Insignificantly Invasive Surgery Market - Global Industry Analysis, Growth, Trends and Forecast, 2013 - 2019", states that displaying a hearty CAGR of 10.50% from 2013 to 2019, the negligibly obtrusive surgery market is foreseen to extend from an estimation of US\$25 bn in 2012 to US\$50.6 bn in 2019.

Starting 2016, North America is evaluated to hold the biggest share of the worldwide spinal inserts and surgical gadgets showcase, trailed by Europe. In any case, the Asia-Pacific market is relied upon to develop at the most elevated CAGR from 2016 to 2021. Various variables, incorporating rising social insurance consumption in creating countries inferable from developing salary levels, expanding government subsidizing, nearness of an extensive patient populace, rising weight cases, and developing mindfulness about the recently created spine treatment methods and implants are driving the development of the spinal implants and surgical devices advertise in the Asia-Pacific region. Be that as it may, challenges connected with this market, for example, shortage of ability and prepared human services specialists and absence of sufficient patient mindfulness about the spinal issue and treatment alternatives confine the market development in this locale. Worldwide reconstructive surgery market will develop at a quick pace and will post a CAGR of near 7% over the gauge time frame. In the late years, it has been watched that a great deal of significance relates to the physical appearance of a person, which is one of the essential variables driving the development of the worldwide restorative surgery to advertise.

Why Vancouver?

Vancouver is a coastal seaport city in western Canada, located in the Lower Mainland region of British Columbia. Vancouver is a member municipality of Metro Vancouver, a regional government. In total there are 22 municipalities, one electoral area and one treaty First Nation comprising Metro Vancouver, the regional government whose seat is in Burnaby. While each member of Metro Vancouver has its own separate local governing body, Metro Vancouver oversees common services and planning functions within the area such as providing drinking water; operating sewage and solid waste handling; maintaining regional parks; overseeing air quality, greenhouse gases and ecological health; and providing a strategy for regional growth and land use. With its location on the Pacific Rim and at the western terminus of Canada's transcontinental highway and rail routes, Vancouver is one of the nation's largest industrial centres.[64] Port Metro Vancouver, Canada's largest and most diversified port, does more than C\$172 billion in trade with over 160 different trading economies annually. Port activities generate \$9.7 billion in gross domestic product and \$20.3 billion in economic output. Vancouver is also the headquarters of forest product and mining companies. In recent years, Vancouver has become a centre for software development, biotechnology, aerospace, video game development, animation studios and television production and film industry. Vancouver hosts approximately 65 movies and 55 TV series annually and is the 3rd largest film & TV production centre in North America, supporting 20,000 jobs. The city's strong focus on lifestyle and health culture also makes it a hub for many lifestyle brands with Lululemon, Arc'teryx, Kit and Ace, Mountain Equipment Co-op, Herschel Supply Co., Aritzia, Reigning Champ, and Nature's Path Foods all founded and headquartered in Vancouver. Vancouver was also the birthplace of 1-800-GOT-JUNK? and Western Canada's largest online-only publication
